- (c) Should the Vendor reject the bid of the highest bidder, such bidder shall have the right of purchase of the Lot at the Vendor's nominated reserve. This right must be exercised before the Lot leaves the Sale ring.

The booking of any lot by the Auctioneer's Sales Clerk for and on behalf of the Auctioneer shall be equally binding on both Purchaser and Vendor.

3. RISK

- (a) Each lot shall be at the risk of the Vendor in respect of any damage or injury whether by disease, accident or otherwise or whether caused by the negligence of the Auctioneer for the period that the lot be in the custody of the Auctioneer, unless such lot shall have been sold, in which case such lot shall be at the risk of the Purchaser in all respects from the acceptance of his bid.
- (b) From the fall of the hammer the Purchaser shall be responsible for all expenses of the care of the lot and all losses and expenses occasioned by the death or illness of or accident to the lots and shall hold the Auctioneer and the Vendor indemnified against any such expenses and losses.
- (c) Each lot is sold with all faults (if any).
- (d) The Selling Agent, on receipt of written instructions so to do will make arrangements on the Purchaser's behalf for the feeding, transportation and general attendance to stock after sale but no responsibility will be accepted by the Selling Agent and all such service will be at the Purchaser's risk and expense.

On the fall of the hammer the Purchaser shall give his name and address and the name and address of the principal for whom he is bidding (if applicable) and at the unfettered discretion of the Auctioneer the Purchaser will immediately complete, sign and hand to the Auctioneer an 'Acknowledgement of Purchase' in such form as shall be required by the Auctioneer. The Purchaser shall also be required to provide the Auctioneer with any such other information as may reasonably be required by the Auctioneer in respect of the purchase.

5. PAYMENT

- (a) Except at the discretion of the Auctioneer, no lot shall be delivered to the Purchaser unless payment of the purchase money together with any additional charges included, is first made by the Purchaser to the Auctioneer in legal Australian currency.
- (b) The Purchaser will be liable for livery, agistment and transport charges for lots not removed on the day of the sale and they may be moved to alternative stables or agistment at the Agent's discretion. Payment for the lot shall not be regarded as made until such charges have been paid.

- (d) Where delivery before payment is arranged, accounts not paid within fourteen (14) days of the date of sale will have interest applied at the current rate charged by the Selling Agent on its Clients' accounts. Interest charges will be calculated from the date of sale on daily rests and will be capitalised monthly.
- (e) The Purchaser shall pay the Auctioneer on demand all collection costs and expenses (including legal costs on a Solicitor and own Client basis) incurred in recovering any payment from the Purchaser.

6. PROPERTY IN LOTS

- (a) Notwithstanding that delivery of any lot may be given to the Purchaser, and/or the forbearance by the Auctioneer to require payment to be made by the Purchaser in terms of these conditions prior to delivery, property in the lot shall not pass until all moneys payable to the Auctioneer by the Purchaser shall have been received by the Auctioneer and all Cheques, Bills of Exchange tendered in payment have been liquidated.
- (b) Until such time as property in the lot shall pass to the Purchaser in the terms and conditions contained herein, the Purchaser shall hold the lot as bailee only.

- (d) Until title to the horse has passed to the Purchaser, the Purchaser shall not exercise or purport to exercise any rights of ownership or possession including without limitation registering the horse.

7. DEFAULT BY THE PURCHASER

Should the Purchaser neglect or fail to comply with any of the above conditions, the Auctioneer and/or Vendor may immediately retake possession of the lot or lots for resale by public auction or private contract at the risk of the former Purchaser who will be held responsible for all loss and expense arising out of such resale but shall not participate in any profit accruing therefrom.

8. AUCTIONEER'S LIABILITY

- (a) The Auctioneer is the Agent merely between Vendor and Purchaser and in all disputes arising from defect of title, wrong description, pedigree, warranty or otherwise, the Purchaser and the Vendor must adjust the matter between themselves, and no lot is to be returned to the Auctioneer.
- (b) The Auctioneer shall be under no liability for the loss, if any, incurred by the Vendor by reason of the failure on the part of the Purchaser to complete his purchase. In particular, the Auctioneer shall under no circumstances, be liable in any way to the Vendor in the event that a Purchaser defaults under any terms or credit arrangement made between a Vendor and a Purchaser.
- (c) The name, address and description given by the Vendor will in all cases be furnished to the Purchaser if required, and in case of any dispute the remedy of the Purchaser shall be against such Vendor only and in no case or under

any circumstances against the Auctioneer, who is to be regarded for all intents and purposes as Agent for a disclosed principal.

- (d) The description, either as to quality, pedigree, engagement or otherwise for any lot offered is supplied by the Vendor who alone is responsible for its accuracy and the Auctioneer shall not be liable for any error in any such description.
- (e) The Auctioneer shall not be required by the Vendor to account to the Vendor for the sale price, prior to the expiration of forty-two (42) days of the date upon which the purchase price is paid to the Auctioneer or of the date upon which the Auctioneer has delivered the lot out of its custody, which ever date by the earlier.

9. NO WARRANTIES OR GUARANTEES

- (a) Excepting those conditions and warranties implied by any applicable legislation which cannot be contractually excluded and further excepting conditions expressly contained in these conditions of sale, all conditions, warranties, guarantees and representations in respect of any lot, whether expressed or implied (whether by statute or otherwise) are excluded and no warranty, guarantee or representation of any kind whatsoever is made or given by the Auctioneer or the Vendor.
- (b) Without derogating from the generality of Condition 9(a), no warranty, guarantee, representation or condition shall be enforceable only if reduced in writing prior to the sale and signed by the Vendor or the Auctioneer as Agent for the Vendor and the absence of such writing shall be conclusive evidence that no warranty, guarantee, representation or condition whatsoever is made or given or to be implied.

10. WARRANTIES AS TO CONDITION

- (a) Should a lot be addicted to windsucking, the fact shall be disclosed by the vendor to the Auctioneer and shall be announced by the Auctioneer before offering the lot, and the lot shall be taken by the Purchaser with that or those defects.
- (b) Should a lot prove to be a windsucker within seven (7) days of the date of sale and the same was not disclosed by announcement to the Purchaser prior to the sale of that lot, the sale shall be deemed to be rescinded upon the production of a Certificate by a qualified Veterinarian to that effect within seven (7) days of the date of sale. Upon the rescission of the sale, the lot shall be delivered by the Purchaser at his expense to the Vendor's property with that Certificate and all moneys paid by the Purchaser shall be refunded and no further action at law or in equity shall be taken by either the Purchaser, the Vendor or the Auctioneer.
- (c) For the purposes of this condition:-
 - (i) 'Windsucker' shall mean a horse which suffers from the vice of noisily drawing in and swallowing air through its mouth.
- (d) The description 'colt' includes a 'rig' or 'crypt-orchid'. (The term 'rig' or 'crypt-orchid' applies to the male animals in which one or both testes have not descended into the scrotum from the abdomen.)

11. PURCHASER'S OBLIGATIONS

 - (i) he has had the opportunity to inspect the lot prior to the Sale;
 - (ii) he makes the purchase solely in reliance on his own enquiries and inspection;
 - (iii) he has not relied on any statement or representation made by or on behalf of the vendor or the auctioneer;
 - (iv) all lots are sold in their present condition, subject to all faults, imperfections or other defects whether latent or patent; and
 - (v) no compensation is payable by either the vendor or the auctioneer for any faults, imperfections or other defects.
- (b) Any dispute arising between the vendor and the purchaser in relation to a lot must be resolved between them only, and a lot cannot be returned to the auctioneer or the Sale complex.

12. JOINT AND SEVERAL LIABILITY

- (a) The Purchasers, if more than one, shall be jointly and severally bound by these terms and conditions of sale and shall jointly and severally carry out and perform same.
- (b) Any person who advances a bid on a lot shall do so on the express condition and understanding that should that person's bid be the highest bid and such bid is accepted by the Vendor, then that person shall be held personally liable for the price so agreed upon regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the Vendor or the Auctioneer, provided however that his condition shall not in any way negate the Vendor's right to claim against any principal and in such case, the bidder's liability shall be construed to be by way of guarantee.

13. GOVERNING LAW AND PRIVATE SALES

- (a) The applicable law is the law of the State in which the auction is held and the proper forum is in that State.
- (b) These conditions of sale shall, in so far as is possible, apply to the private sale by the Auctioneer of any lot entered for the sale.

14. GST

The GST Status of the vendor of each Lot is indicated next to the Lot Number on the catalogue page.

This Sale will be conducted on a "GST exclusive" basis whereby the final bid price on each Lot does not include GST.

- If the Lot is (Plus GST), then GST of 10% will be added to the purchase price of that Lot.
- If the Lot is (No GST), then no GST will be added to the purchase price of that Lot.

Please Note - GST registration details as printed in the catalogue have been provided by the vendor to the sale agents. Should any change of GST details be notified to the Auctioneer prior to the offering of a particular Lot, that change will be announced by the Auctioneer.
