

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Roma Store

report date 28 Jan 2014

Yarding Change 3425  
-3075

comparison date 21/01/2014

Numbers declined 50% on the previous week. It was a mixed quality yarding with the usual feedlot and restocker buyers in attendance. The shorter supply appeared to lift store cattle prices across most classes of cattle. Light and medium weight yearling heifers found extra restocker demand, with the usual southern processor and feedlot buyers also operating. Processors paid significantly more for light conditioned cows.

Light weight yearling steers sold to 179c and averaged 165c, up 7c, while D muscled sorts averaged around 148c, up 18c/kg. Medium weight yearling steers to feed topped at 172c and averaged 162c, while those returning to the paddock reached 190c and averaged 179c, up 20c/kg. Heavy weight yearling steers to feed made to 175c and averaged 169c, up 11c/kg. Light weight yearling heifers to restocker buyers sold to a top of 154c and averaged 132c, up 18c, while those to southern processors sold to 140c and averaged 133c, up 13c/kg. Medium weight yearling heifers to feed hit 140c and averaged 139c, up 26c/kg.

A few grown steers averaged 149c, up 19c/kg. Light and medium weight score 2 cows sold between 92c and 107c, up 34c/kg. Medium weight 3 score cows reached 126c and averaged 124c, up 11c/kg. Heavy weight score 4 cows sold to 143c/kg.
