

BLACKALL PRIME AND STORE SALE REPORT

2nd JULY 2015

1336 head of cattle were on offer at the Blackall Prime and Store sale this week. It was a very mixed quality yarding with some good lines of feeder steers and heifers, however smaller lines of drought affected cattle brought the averages right back. Heavy feeder steers saw a new Blackall record at 290c for a pen of heavy Santa steers. Competition on young steers and heifers was quality driven and saw rates slip on last week with heifers averaging 188c and steers 226c. Bulls made to 202c.
