

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 14 Jul 2015

Yarding Change 8846
-3396

comparison date 07/07/2015

Good numbers of cattle were yarded and the overall quality of store cattle penned declined. Good quality light weight yearling steers continued to attract solid restocker competition, while slightly lower prices for medium and heavy weight steers reflected the plainer quality on offer. Processors were more active on light weight yearling heifers and feedlot buyers paid up to 292c/kg for suitable feeder weight medium yearling heifers. Cows and calves sold to \$1350 and averaged \$965/unit.

Steer calves sold to 312c and averaged 283c, while heifer calves sold to 246c and averaged 223c/kg. Light weight yearling steers made to 320c and averaged between 290c and 297c/kg. Medium weight yearling steers to feed sold to 293c and averaged 273c, down 21c, and those returning to the paddock reached 310c and averaged 287c, down 14c/kg. Heavy weight yearling steers to feed earned to 293c and averaged 273c, down 4c/kg. Light weight yearling heifers to restocker buyers sold to 296c and averaged between 262c and 277c/kg. Those to feedlot buyers made to 262c and averaged 240c, while those to processors sold to 276c and averaged 251c, up 4c/kg. Medium weight yearling heifers to feed reached 292c and averaged 254c, down 13c/kg. Heavy weight yearling heifers to feed earned to 252c and averaged 250c, down 20c/kg.

Medium weight grown steers to feed hit 271c and averaged 267c, up 2c/kg. Light store cows reached 186c and mostly averaged between 166c and 178c/kg. Medium weight 3 score cows made to 224c and averaged 206c, down 1c/kg. Medium weight 4 score cows sold to 232c and averaged 230c, while heavy weight 4 score cows topped at 236c and averaged 231c, down 9c/kg.
