

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 15 Dec 2015

Yarding Change ⁶⁹⁸⁸
234

comparison date 08/12/2015

It was a mixed quality yarding for the final sale of the year. All the usual feedlot buyers were present and extra restocker buyer attendance helped boost demand for light weight store cattle. Light weight early weaned steers hit 410c, while good quality heavy weight yearling steers to feed topped at 350c/kg. Feedlot buyers were very active on light and medium weight yearling heifers. Extra restocker buyers provided solid competition on the store conditioned cows.

Steer calves sold to 410c and averaged 375c, while heifer calves made to 344c and averaged 332c/kg. Light weight yearling steers reached 394c, and mostly ranged between 350c and 365c/kg. Medium weight yearling steers to feed topped at 349c and averaged 331c, down 5c/kg. Heavy weight yearling steers to feed earned to 350c and averaged 329c, while those to restockers for feed-on sold to 342c/kg. Light weight yearling heifers reached 342c and mostly ranged between 253c and 329c/kg. Medium weight yearling heifers to feed sold to 342c and averaged 337c, up 9c/kg.

The medium weight 3 score cows earned to 225c and averaged 207c, up 3c/kg, while those returning to the paddock hit 226c and averaged 210c/kg. Santa-cross cows and calves sold to \$1600/unit.
