Yarding Change 6000
0

comparison date 01/03/2016

Yarding numbers remained the same as the previous sale. The quality of steers penned was plainer and buyers were more selective when purchasing. Extra feedlot buyer competition helped boost light and medium weight yearling heifer prices by 8c to 11c/kg. A line of good quality PTIC cows found plenty of restocker buyer demand and sold to 276c/kg.

Light early weaner steers sold to 410c and averaged 385c, down 6c, while heifer calves topped at 372c and averaged 350c, up 10c/kg. Light weight yearling steers earned to 410c and averaged between 348c and 366c/kg. Medium weight yearling steers to feed sold to 338c and averaged 327c, down 2c, while those to restockers topped at 354c and averaged 340c, down 3c/kg. Heavy weight yearling steers to feed made to 334c and averaged 326c, down 1c/kg.

Light weight yearling heifers sold to 364c and averaged between 305c and 332c/kg. Medium weight yearling heifers to feed reached 322c and averaged 308c, up 11c/kg. Store cows sold between 185c and 193c, while medium weight 3 score cows sold to 238c and averaged 227c/kg. Heavy weight 4 score cows sold to 270c and averaged 244c/kg to be unchanged in price. Brahman-cross cows with 2 to 6 month old Charbray calves at foot sold to \$1,510 and across the board cows and calves averaged \$1,329/unit.
