 Yarding Phange 1631
 4400 1631
 comparison date
 06/09/2016

Numbers were well up this week for a yarding of 4,400 head. Cattle were drawn from the usual areas, including the far West and North. The yarding consisted of a good supply of yearlings, along with several runs of grown steers and heifers. There was also a larger penning of cows. Quality of the young cattle was fairly good with increased numbers of well finished cattle and, also a larger percentage of the young cattle were well bred.

Competition was very strong from restockers and feeder buyers. The demand for weaner steers was much stronger this week, selling to a top of 444c with a very healthy average of 413c/kg. Medium weight feeder steers sold to a top of 388c for an average of 373c and restockers sold to 402c/kg. Weaner heifers also attracted keener competition selling to a top of 402c, while medium weight feeder heifers topped at 385c to 374c/kg.

Grown steers to feed sold to a top of 375c to average 358c, while grown heifers to slaughter sold to a top of 326c/kg. The larger yarding of cows were 4c to 5c dearer with medium weights averaging 252c and heavy cows sold to a top of 286c/kg. Restocker cows were also dearer topping at 257c/kg. Heavy bulls topped at 290c/kg.
