

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Roma Store

report date 25 Oct 2016

Yarding Change 5800  
-2800

comparison date 18/10/2016

Yarding numbers returned to a usual amount after the previously large penning of cattle. Consignments were drawn from across western Queensland. All the usual restocker, feedlot, and processor buyers were present and operating. Demand for light weight yearling steers and heifers softened. Meanwhile, demand increased from processors for cows with a large consignment of well-conditioned station bred sorts penned. Overall, it was a very mixed quality yarding of store cattle.

Steer calves sold to 436c and averaged 408c/kg. Light weight yearling steers made to 426c and averaged between 393c and 403c/kg. Medium weight yearling steers to feed hit 368c and averaged 350c, while those returning to the paddock topped at 374c and averaged 357c/kg. Heavy weight yearling steers reached 350c and averaged 345c/kg. Light weight yearling heifers earned to 404c and averaged between 348c and 366c/kg. A pen of heifer calves sold to 412c/kg. Medium weight yearling heifers sold to 348c and averaged 323c/kg.

Grown steers to feed made to 324c and averaged 297c/kg. Medium weight 3 score cows sold to 249c and averaged 239c/kg. Heavy weight 4 score cows averaged 252c/kg.
