

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 07 Mar 2017

Yarding Change 4545
1011

comparison date 28/02/2017

There was an increase of approximately 1,000 head on last week to yard 4,593 head at Roma Store Sale today. There was a mixed range of quality due to the rainfall experienced by some with restockers out and performing. Onlookers and vendors of the Braford Society annual sponsored sale made for a great day out enjoying the good lines of their breed with a challenge to find a spot on the fence. All usual buyers were present, however not all buyers had adequate supply on offer with the heavier range of steers, however the medium weight steers were up on last week.

Steers less than 220kg made to 398.2 to average 348c/kg. Medium weight yearling steers in the 220kg to 280kg range made to 392.2 to average 346c/kg. Steers, 350kg to 400kg, made to 340c, to average 315c/kg. Steers over 400kg made to an average of 287c/kg. Heifers made to an average across the board of 272c and bulls less than 400kg made 348.2 to average 260c/kg.

Cow and calf units held similar money to the previous week.
