Onlookers were plenty, due to a conference to combat the Pimelea weed today at the Roma Store Sale where numbers were down 275 to yard 5,865 head. Quality was good in the larger runs while several lots were painted out to disperse in different directions. All buyers were in attendance and operating in a solid and dearer market. The optimism of rain compliments of cyclone Debbie and enough warm weather left in Spring to grow grass was prevalent indicated by the solid restocker market.
