comparison date 02/03/2017

The yarding was down around 300 head on last week at Roma Prime Sale today. All the usual buyers were present and operating with the cow market easing. Quality was mixed, enhanced by a solid run of good quality fat cows and heifers from the Wallumbilla district. Scattered storms alleviated the dry for some while the majority wait patiently to fill tanks and grow grass prior to winter.

Steers under the 550kg range made to 300.2c to average 283c/kg. Steers over 550kg made to 271.2c to average 262c, while heifers over 450kg made to 260.2c to average 249c/kg.

Bulls weighing over the 600kg made to 238.2c to average 218c/kg. Cows 400-500kg range made to 223.2c to average 205c and good heavy cows made to 244.2c to average 222c/kg.
