

## **BLACKALL FAT AND STORE SALE REPORT** **4<sup>th</sup> MAY 2017**

Blackall combined agents yarded 2300 head at their weekly fat and store sale. Rates followed other selling centres in the state with an easing in fat and feeder cattle prices. Store steers were not in great supply and quality was mixed and this resulted in them also easing across the board. Heifers both feeder weights and backgrounder saw strong competition and rates remained unchanged from last week. Cattle were drawn from the Cloncurry, Hughenden, Winton, Boulia, Yaraka, Jericho, Muttaburra, Longreach, Blackall and Tambo districts.
