

MARKET REPORT
27th July 2017

On Thursday the 27th July 2017 Blackall combined agents yarded 5400 head of weaner and feeder cattle at the monthly Weaner Sale. Which saw the first offering of accredited organic cattle in Saleyards in Queensland. Overall, the quality of the yarding was excellent. Cattle were drawn from Muttaborra, Aramac, Boulia, Jericho, Barcaldine, Augathella and the local Blackall area. The market followed the trend of southern markets to be cheaper across all categories with large numbers of weaner cattle offered this week. Despite the ongoing dry season, restocker competition was strong, with buying support coming from western Queensland along with buyers from the Darling Downs area.
